The Department of Education and Skills provides funding which allows schools to operate a grant scheme to assist in the purchase of text books.
The school administrates the grant according to the guidelines laid down by the Department. In order to qualify for this grant, family income should derive mainly from the following:

Social Welfare

Family Income Supplement

A Medical Card alone does not entitle a family to a grant.

The grant may also be made available to families experiencing hardship because of particular circumstances (illness, single parent family etc,) and to families who are eligible for the Back to School Clothing and Footwear Scheme. Please indicate below as clearly as possible why you may be entitled to a grant. All information will be treated in strictest confidence. Forms should be returned to the school for the attention of the Principal Mr. Joe O'Dwyer on or before Monday 13th June.
